PEER MENTORSHIP PROGRAM

A LEDUC COUNTY ECONOMIC DEVELOPMENT INITIATIVE

The Biz Exchange program is a dynamic in-person peer mentorship program designed to empower local business owners. By fostering collaboration and leveraging the collective wisdom and experience of the members, participants tackle common challenges, share ideas, and strategize for growth. Acting as an unofficial board of directors, this supportive network boosts individual

Access Opportunity

business skills and contributes to the community's economic vitality, creating a thriving business ecosystem through shared knowledge and mutual support.

*One representative per business;
preferably an owner, CEO or high-level
manager with the ability to effect change
within their organization.*

WHY CHOOSE BIZ EXCHANGE

1 Build a Trusted Network

Meet regularly with like-minded business owners and peers in a small group setting that builds a trusting environment and meaningful business relationships

2 Problem Solve

Grow your business skills by learning from each other's successes and challenges, while gaining exposure to new outlooks and ideas.

3 Access Supports

This program offers access to supports, guest speakers, workshops, and opportunities to become ambassadors for the region at larger events.

4 Small Cohorts

Cohorts have a maximum of 20 members. Meetings adapt based on the decisions of the Biz Exchange program members.

*Meetings are once a month
for approximately two hours*
