Access Opportunity

## ABOUT THE PROGRAM

The **BizExchange** is a newly-launched peer mentorship program through the Business and Entrepreneur Centre in Nisku Business Park. The program is dedicated to bringing business owners together to act as one another's unofficial 'board of advisors', with the goal of supporting each other, navigating common problems, and sharing ideas and strategies to help each other succeed.

This program is your chance to join an in-person small business problem-solving initiative and make the most of opportunities.

Meetings take place at the **Leduc County Business and Entrepreneur Centre** (606 18 Ave., Nisku). For upcoming meeting dates and times, visit [leduccountybusiness.com](http://leduccountybusiness.com).
